FREE WINDOWS

You could be eligible to receive free Energy Star vinyl replacement windows. St. Louis County is accepting applications for their Lead-Based Paint Hazard Control Program. If 2 or more components of your windows test positive for lead-based paint and the paint is deteriorated (flaking, peeling, or chalking) you could receive new Energy Star vinyl replacement windows.

To qualify, your home must:

- Be in St. Louis County
- Have been built before 1978
- Have a child under 6 years of age living there or visiting the home 6 hours a week or more, or be pregnant
- Have a household income lower than 80% of St. Louis County's median income
- Have real estate taxes current

The program is available for owner/occupied and rental properties.

To find out more or to fill out an application call 314-615-1642 or go to the program website at: www.stlouiscountymo.gov and click on "Departments", "Human Services", "Community Development", "Lead Paint Hazard Program".
