

GUIDELINES FOR STORM DAMAGE REPAIR REGISTRATION

1. Registration is limited to general building and structural related repairs. St. Louis County licensed electrical, mechanical and plumbing contractors are considered registered.
2. Application must be filled out in its entirety.
3. No faxed, mailed or reproduced applications will be accepted.
4. Applications for registration must be made in person by applicant listed on application at the Department of Public Works, 41 South Central, 6th floor, Clayton, MO, 63105. Applicant must bring his/her driver's license, social security or tax ID number and evidence of general liability insurance (copy of certificate of insurance).
5. Please allow five (5) working days for processing of registration.
6. There is no fee for registration.
7. Building permits will be issued only to registered storm damage repair contractors.

For additional information on registration, please call the Department of Public Works at 314-615-7146 or 314-615-7866.
